

GIVE A GIFT THAT LASTS FOREVER

Britany Anna Marie Hall was beautiful, and made an impact on everyone she met.

Growing up and looking toward her future, Britany lead a full and happy teenage life. She played sports, involved in her school and was strong in her faith.

When Britany was 14 she was diagnosed with a rare form of cancer and spent the last couple of years in the fight of her life. She fought hard and never gave up, lost her faith, or bright smile. During her many treatments, she continued to go to school and participate in sports and always gave her all.

Britany lost her battle with cancer on April 12, 2010 when she was just 16..

With this scholarship, her dream of going to college can be passed on to others, and her fighting spirit can be honored now and into the future.

Why Give to Britany's Fund?

Your gift is permanent - it is never spent. It becomes part of the fund's principal. The value of your gift is increased by sensible investment.

Then a portion of the annual earnings supports a scholarship in Britany's name...Forever.

Please help us make this scholarship a reality. Thank you for your consideration
