## Back Home Again in Indiana Scholarship

Specifically for Non- traditional students. A Non-Traditional Student is defined as one who did NOT begin their college immediately upon the completion of their high school career, but rather is one who graduated from high school or received their GED and delayed the entrance into college.

The fund is designed to give preference to non-traditional students who wish to further their education and/or training as a way of enhancing their employment skills.

Qualified recipients include adult students who wish to re-enter the job market, advance in their current field, or enter the job market for the first time after hardship circumstances, such as divorce, health complications involving family members, loss of employment, or other obstacles.
