

### **Franklin and Jane Heisler and Dave Heisler Memorial Scholarship**

The Franklin and Jane Heisler Scholarship was established by the children and siblings of Franklin, Jane, and David Heisler to honor their lifetime of kindness and community service.

Jane and Franklin married on August 1, 1954 in Rochester, IN. They both dedicated their love and time to their community. Together, they had 5 children, including David who passed unexpectedly. Mrs. Heisler had been employed at the former Heisler Pharmacy in Rochester, a member of Trinity United Methodist Church and Fulton County Chorus, a volunteer at Fulton County RSVP, and a graduate of Bob Jones University.

The scholarship is awarded to graduating seniors of Rochester and Tippecanoe Valley high schools who are planning to attend an accredited college, university, trade, or vocational school in Indiana. Applicants must show financial need, be involved in school, work, and the community, and demonstrate a kindness to those in their community and service to others.
