Introduction

The Miami County Community Foundation works with you to create the kind of gift that best reflects your charitable dreams and optimizes your tax benefits.

Our donors often remark on how easy it is to make a gift or create a fund. And your investment continues to grow, leaving a lasting impact on your community.

If you make a planned gift in an estate plan, you’ll join many others and become a member of Seeds for Tomorrow, the legacy society of the Community Foundation.

Passion for a community trail gains support

ONE MAN’S PASSION HELPED TO ESTABLISH HIS LEGACY

Harry Denham was known for being the man who could fix anything and everything. It was also well-known that he had a passion for the Nickel Plate Trail. Community members regularly saw him working on the trail no matter the weather or season.

Because of this passion, Henry’s family knew that he would have wanted memorial gifts to go to the Nickel Plate Trail Endowment Fund in lieu of flowers upon his passing. Through the MCCF, they made that a reality, and his hard work and passion for the trail will be carried on forever.

Community support helps feed Miami County

HOW PLANNED GIFTS HAVE HELPED A MUCH-NEEDED COMMUNITY ORGANIZATION

Since 2002, Miami County Helping Hands, Inc. has been providing services for Miami County residents. It started as a food pantry, but it has grown into so much more than that. In addition to assistance with rent, utilities, home heat, transportation, and medical prescriptions, the organization also provides compassion, care, and ministry for those in need in our community.

Many caring individuals have made gifts to the Helping Hands Endowment Fund in their will, ensuring that this organization will continue to help families in Miami County long into the future. Supporting this organization is a great way to leave a legacy in Miami County.

Gifts that reach the community’s greatest needs

HOW GIFTS TO COMMUNITY FUNDS HELP TO SUPPORT THE NEEDS OF THE FUTURE

The needs of the communities in Miami County change over time. The greatest needs today might be different than those fifty years from now. Thanks to the many community funds at the Foundation, every year support will be provided for the projects and non-profits that address the community’s greatest needs.

Gifts to community funds help to improve life for our family and friends. Planning a gift to a community fund in your will is a great way to ensure that the needs of the community will be met not just now, but forever. What a worthy legacy to leave!
