What do we do?
We make a difference.

The Fulton County Women's Giving Circle draws upon the wisdom and resources of Fulton County women to create a better community through charitable giving.

$44,500 granted since 2010

Joining is Easy
You can join other Fulton County women by contributing $120 annually to become a voting member. (That is equivalent to only $10 per month.) Payment is due by December 31.

$50,000+ Endowment Fund Balance

In 2019, the Women's Giving Circle Endowment Fund provided an additional $2,000 to grant to community needs.

Meeting to Make a Difference
Members meet annually and choose which organizations they want to support. Grant recipients from the previous year are invited to give a report on their organization and the effects of the grant awarded to them.

Investing in the Future
Your contribution is pooled with other members' contributions to annually grant monies to Fulton County charitable projects. We direct 50% of the annual contributions to grants and invest the remaining 50% in an endowment fund at the Community Foundation. This fund will grow forever and benefit Fulton County indefinitely.
