

How Your Donation is Put to Work to Impact Starke County

About the Starke United Fund

In 2012, Starke United created the Starke United Fund with the Northern Indiana Community Foundation (NICF) to provide a more efficient way to assist Starke County's charitable agencies.

Since the partnership was established, the Starke United Fund has supported so many charitable organizations and projects in Starke County.

A gift to the Starke United Fund is a gift to the NICF. The NICF's mission is to improve the quality of life in our communities by assisting donors in fulfilling their charitable wishes.

Ways to Give

- You can give an unrestricted gift, and the Starke United Fund Committee will allocate funds to ensure that your gift will meet the greatest needs.
- You can give to a specific Starke County organization.

starke united fund mission

To provide leadership in uniting all people of Starke County to address human conditions through positive actions.

Featured Grant

Starke United Fund has granted over \$16,000 to the Starke County Youth Club since 2013. This organization helps young people find "their own superpowers." Through exploration and education, this program allows kids to discover that they're really great at math, are super kind, or even have tremendous grit.

The Starke County Youth Club provides children a safe, enriching after-school program. They can do it all: from getting help with their homework and STEM experiments to group yoga lessons. The Starke County Youth Club allows our children to grow from such inspiring programming.

You can help support this programming and others like it through the Starke United Fund!
