

Rochester High School Scholarship

The Rochester High School Scholarship was originally established by the school in 1982. Since then it has been transferred to the Northern Indiana Community Foundation (1995).

Rochester High School is passionate about their students and wants to see them succeed for years to come. That is why the fund was moved to NICF. This allows the fund to continue to provide scholarships to graduates each year.

RHS has been a source of community pride and inspiration since it began. The academia and extracurricular activities available are continuously developing each year to meet the needs of the students and the community. The school spirit Zebras' have shines bright throughout the community and surrounding areas.

“RHS continues to be a progressive leader in the development of tomorrow's leaders and RHS will continue to change and grow in response to each new community challenge, but it will never lose sight of its rich heritage and proud traditions!”

Rochester Community Schools wish to inspire individuals to learn, grow, and give. This scholarship helps them achieve that mission forever.
