\$70,000+ given in grants to
the local community since 2010!

Women's Giving Circle Membership Enrollment

The Women's Giving Circle of Fulton County (WGC) has drawn upon the wisdom and resources of Fulton County women to create a better community through charitable giving.

In 2010, The Fulton County Community Foundation enlisted a small group of passionate community members to help organize the Women's Giving Circle.

Local organizations request grant funding from Women's Giving Circle. Members then vote for their favorite organization or project. It's that simple.

Joining is Easy

You can join other Fulton County women by contributing \$120 annually to become a voting member. (That is equivalent to only \$10 per month)

Supporting Current Needs

Member contributions are pooled together to support local needs, with 50% of those dollars impacting current needs.

Investing in the Future

The other 50% of member dues are invested in an endowment at the Community Foundation. The fund will grow forever and benefit Fulton County indefinitely.
