Fulton County Granting Guidelines: The geographic area served is Fulton County and the communities thereof.

Grant making areas of interest are:

- Education • Health • Human Services • Arts & Culture • Environmental
- Community Development • Recreation • Youth Development

The community foundation favors activities that:

- Reach a broad segment of the community, especially those whose needs are not currently being met.
- Request seed money to realize innovative opportunities to meet needs in the community.
- Stimulate and encourage additional funding.
- Promote cooperation and avoid duplication of effort.
- Help make a charitable organization more effective and efficient and better able to be self-sustaining.
- One-time projects or needs.

The community foundation places a lower priority on the following:

- Projects where the County Community Foundation is the sole funder.
- Grants to any organization for the purpose of maintaining an ongoing operating budget or for public schools.

The foundation will not consider grants for:

- Religious organizations for the sole purpose of furthering that religion. *This prohibition does not apply to funds created by donors who have specifically designated religious organizations as beneficiaries of the funds.*
- Political activities or those designated to influence legislation.
- National organizations (unless the monies are to be used solely to benefit citizens of Fulton County).
- Grants that directly benefit the donor or the donor's family.
- Contributions to endowments, except in the case of Sustainability Awards.
